SPEAKERS WELCOME

HOW TO SUBMIT A TALK

Contact organizers

- [meetup.com](https://www.meetup.com)

NEED ANY HELP?

Let us know

SELECTING TALKS

1. Sharing experience from everyday work
2. Best practises: DDD, TDD, ...
3. New tech

Always in English. 1x a month

PROPOSED FORMAT

1. 2x 10 minutes
2. 2x 20 minutes or 1x 40 minutes

1 hour in total

AFTER THE TALK

Put on meetup.com, links to:

1. Slides
2. Github repo, Blog, LI about talk
3. ...

Ask for STAR, LIKE, or SHARE if sb finds it helpful

AFTER THE TALK

Organizers wil:

- Write a short summary with links to talks
- Push on FB, slack, and Discord

RECOMMENDATION

- Provide code samples of github
- Runnable demos, the best

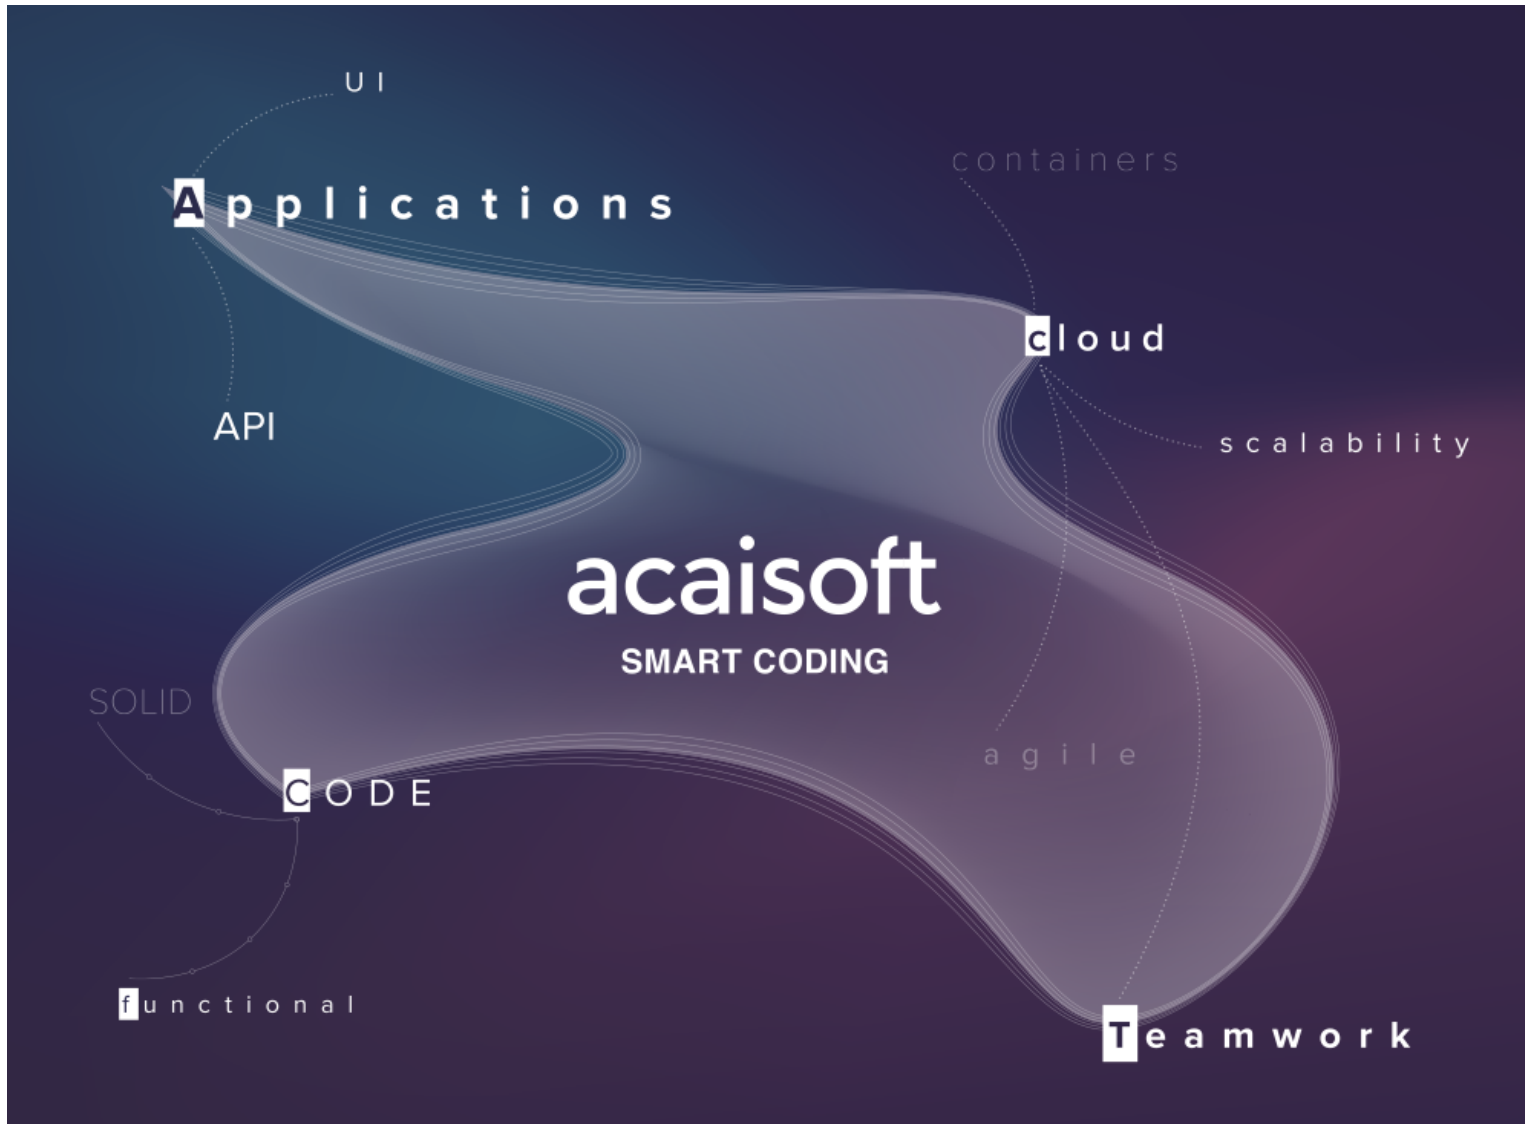

WHY

- To keep people engaged after your talk
- Get feedback
- For you: Fame, github stars, FB/LI likes
